## INSTRUCTIONS FOR COMPLETING A DEALER LICENSE APPLICATION

- 1) If you are an existing Dealer renewing or making changes, please print dealer letter and number in upper right corner.
- 2) Indicate reason for application in upper right corner.
- 3) Check off Dealer Type if applicable. Select the type of dealer based on the majority of your sales or type of license you are applying for: In the case of a Retail Dealer License, you would select Auto if 51% or more of your business is autos, select Moto if 51% or more is motorcycles. Selecting wholesale means you only sell to other dealers.
- 4) Select type of business that you are registered and operating as.
- 5) State whether or not you have ever been licensed as a dealer in NH previously
- 6) Enter Corporate Name if applicable. This must exactly match the way the name is registered with Secretary of State. No abbreviations. All business names must be registered with the Secretary of State per RSA 349:1. A copy of the Good Standing from Secretary of State must be attached. Please visit the Secretary of State's web site at <a href="https://www.sos.nh.gov/corporate/soskb/csearch.asp">https://www.sos.nh.gov/corporate/soskb/csearch.asp</a>
- 7) Enter Trade Name. If there is no trade name of record and only a corporate name then reprint corporate name or print SAME. All business names must be registered with the Secretary of State per RSA 349:1. A copy of the Good Standing from Secretary of State indicating that the trade name is "Active" must be attached. Please visit the Secretary of State's web site at <a href="https://www.sos.nh.gov/corporate/soskb/csearch.asp">https://www.sos.nh.gov/corporate/soskb/csearch.asp</a>
  This is the name required on the signage.
- 8) Enter Business Mailing Address. This can be a P O Box and can be updated at renewal time without prior approval.
- 9) Enter Business Legal Address: This is the single, physical location approved by the DMV where the business is conducted. This cannot be changed without prior notification and approval per Saf-C 2003.03.
- 10) Include the business phone number and e-mail address.
- 11) Business hours of operation: List the hours of operation per day. The total hours of operation each week must comply with the Saf-C 2001.15
- 12) List the Owners/Partners/Members of the business that are responsible for business in New Hampshire. The Full legal name, gender, date of birth, driver's license number, **complete** physical **home** address, **home** phone number, signature of **each owner** and the percentage of ownership in the business must be completed. Use an additional sheet of paper if necessary. A criminal record for each owner is required from the state of New Hampshire and the state that person resides in as well for all new applicants. The criminal record must accompany the new applications. Please don't request that they be sent directly to the Dealer desk.

Owner updates require notification in writing 30 days prior to the effective date with the signature of all owners per Saf-C 2009.05. Do not wait until renewal time to update the owners of record. Departing owners will need to sign letters stating they are no longer owners of the business. Dealer licenses are non-transferable.

A surety bond must be maintained at all times during the license. If the bond is cancelled or rescinded, the dealer license must be surrendered.
- 15) Provide all copies of supporting documentation required per application i.e. criminal records, a current copy of the lease and or a statement that the lease is in good standing with the landlord if you are a tenant at will. And a current Service Agreement with a currently licensed inspection station with original signatures.

- 17) If renewing; provide a current inventory of the dealer plate(s), **listed alphabetically**.
- 18) All business personnel should read and understand the Agreement. One owner must sign and date the application.

Note: All applications are subject to approval by the town or city where the dealer is applying. The DMV will be contacting the town to verify their approval. Prior to submitting the completed application to the DMV, the applicant may want to make contact with their appropriate town office or board to see if there are any requirements that must be met or restrictions regarding their proposed business before the town will approve usage of the property for the dealer. All dealers must be in compliance with their town or city at all times.
