RECONSTRUCTED VEHICLE/HOMEMADE TRAILER

| Reconstructed Vehicle – any homemade vehicle or a vehicle made from various parts of other motor vehicles to the degree that it is obviously a mixture of parts or that the serial number of the body frame and engine do not reflect the vehicle's identity. All bills of sale, titles, & other related documents on major component parts must be included with any subsequent title applications. Any reconstructed vehicle must first be examined by a State Police Officer who may issue a state issued vehicle identification number. | |
